ATTERBURY Spring Clothes

The Atterbury System is the product of the practical development of ideas of the foremost artists and designers of this country, who, after years of study and hard work, have perfected a system of clothing for men, whereby anybody can be fitted with ease and grace to the garments, which can not be distinguished in cut, fit, finish and style from similarly made goods by the best madeto-measure tailors. We want you to become familiar with these superb gar-

ments, and for this reason you are most cordially invited to call and inspect our Atterbury Suits. We will take great pleasure in demonstrating and explaining the "Atterbury System" of clothes making in its entirety. Prices range from-
